# 2011

**Blend:**

50% Merlot  
45% Cabernet Sauvignon  
5% Petit Verdot

**Degree:** 13°

**Yield:**

38 hl/ha  
70% 1<sup>st</sup> wine

**Harvest:**

Merlot: 16/09/2011 - 22/09/2011  
Cabernet Sauvignon: 26/09/2011 - 03/10/2011  
Petit Verdot: 23/09/2011

With a lower than average yield, Brown's 2011 red vintage stands out for its intense and very mature Cabernet Sauvignon expression, due to near-Summer harvesting conditions providing natural concentration and beautiful maturity for this grape. Intense colour and the alcohol level of a classic Bordeaux wine are the key features of the 2011 vintage.

**Bottling dates at the property:**

16/05/2013 + 17/05/2013  
62 000 bottles

## TASTING COMMENTS :

A slightly closed yet complex bouquet, revealing notes of black fruit and hints of graphite, as well as floral notes (iris), topped off with a touch of garrigue. On the palate the attack is fresh and offers genuine tannic substance and great balance. The taut tannins hint at very good ageing potential.
