TASTING COMMENTS:

2014 was a richly-coloured vintage, even for the white wines. BROWN White 2014 boasts the pronounced floral scents of lovely ripe Semillon grapes, good sugar content and high acidity, despite the warm end to the season. The wine is very fleshy and fresh with the vivacious, salty edge of the Sauvignon Blanc that will make this 2014 a delight for some years to come, for its purity and aromatic range.
