

LE COLOMBIER DE  
BROWN

## THE STORY OF OUR SECOND WINE « LE COLOMBIER »

“Le Colombier de Brown” refers to a beautiful stone dovecote set in the grounds facing the house – a sign of wealth back in feudal times. This “Colombier” (“dovecote” in english) was built in the eighteenth and its presence is the witness of the age and quality of the Château Brown vineyard. We have given this name to our second wine in memory of this prestigious past.

## THE LITTLE BROTHER OF CHATEAU BROWN

The second wine is the reflection of Brown terroir and enjoys the same lavish care as the Grand Vin. The plots of vines are selected to make a fruitier, lighter, easy-drinking wine made to be enjoyed younger. Elegant and well structured, it can be enjoyed right away.

« A lovely bright intense colour. The fruity aromas appear as soon as a glass is poured. The first nose is flattering, Swirling reveals an aromatic explosion of berries with dominant wild strawberry aromas. A soft, silky attack, full-bodied with a broad range of aromas as complex as the bouquet. The tannins are cheerful and generous. A fairly long finish, rich in alcohol. Le Colombier de Brown Red 2016 is a generous, modern wine, an excellent example of this rich vintage. » - **Jean-Christophe Mau, managing director of Château Brown**
