TASTING COMMENTS:

This vintage has a lovely luminous pale golden appearance. It offers a broad range of aromas, with scents of grapefruit, pineapple and mandarin, a very light smokiness from its barrel-ageing, and spiced, gingery notes backed by floral honeysuckle aromas. Very fresh on the palate after a sweet attack, still very aromatic with hints of citrus and a long, lively finish. This vintage is bursting with freshness. There is a strong influence from the Sauvignon grapes, which were mostly spared from the spring frosts, offering a lovely ripeness which will not lessen with ageing !
