TASTING NOTES

Our Grand vin Blanc 2023 has a luminous pale color. On the nose, its aromatic palette offers notes of fresh fruit such as passion fruit and grapefruit, supported by an elegant hint of citron and a well-integrated vanilla sweetness.

The palate is juicy, round, fleshy and highly perfumed, with a sapid finish combining length and freshness.

CHATEAU BROWN

AN OASIS OF BIODIVERSITY

Château Brown owes its name to a wealthy Scottish wine merchant, John Lewis Brown, who bought the estate in 1795.

Located on the outskirts of Bordeaux, in the heart of the famous Pessac-Léognan appellation, Château Brown is among the rare vineyards classified as "peri-urban." Only 31 hectares of vines out of a 60 potential hectares of AOC, is rooted in the oldest terroirs of the Bordeaux vineyard: the Graves du Nord.

Acquired by the Mau and Dirkzwager families in 2004, Château Brown has since been totally rethought and restructured.

At the helm of the estate, Jean-Christophe Mau places the vineyard at the center of his concerns, focusing primarily on conducting demanding and responsible viticulture.

Here, every effort is made to preserve this exceptional setting where vineyards, forests, flower meadows, orchard, and floral farm coexist harmoniously.
